Its art team has created in-game animation and effects for dozens of top-selling titles including "League of Legends" and "The Sims 3".</p> <p>Original Force is dedicated to telling compelling, visually stunning stories through 3D digital animation. The studio recently opened a facility in Los Angeles led by Hollywood production veterans Penney Finkelman Cox and Sandra Rabins, who have overseen such animated blockbusters as "Shrek", "Cloudy with a Chance of Meatballs", "Surf's Up" and "The Prince of Egypt". Under their auspices, Original Force is developing and producing feature films both on its own and in partnership with major content providers in the U.S. and China. The studio is actively building relationships with visionary filmmakers and artists and exploring innovative approaches to creating animated entertainment with broad, global appeal.</p> <p>With nearly 1,000 employees across its Los Angeles, Beijing, Nanjing, Shanghai and Chengdu offices, Original Force prides itself as a major animation studio with production facilities in both the U.S. and China. The company made its first foray into Hollywood when it was chosen by DreamWorks Animation to serve as the lead animation shop for "Dragons: Riders of Berk," the television spinoff of the studio's 2011 Oscar-nominated feature "How to Train Your Dragon". The series premiered on Cartoon Network in 2012 and netted a 2013 Annie Award for Original Force director John Eng.</p> <p>Number of Employees: 1260 Branch/Business in U.S: 60</p>	<p>Interest for Cooperation:</p> <ul style="list-style-type: none"> ● To Buy Products/Services from U.S. ● To Sell Products/Services to U.S. ● Technical Cooperation ● To Invest in the U.S. ● To Attract Investment from the U.S. ● Project Contracting Opportunities. <p>Prospective partners include but not limited to:</p> <ul style="list-style-type: none"> ● Manufacturer/Producer ● Distributor ● Service Provider ● Technology Company ● Infrastructure Owner
